Experience

Alba Lucía supports tax subjects with clients of diverse sectors of the industry, specifically Retail & Consumer, Pharma and Oil, among others. She is member of the Firm since 2007.

Studies & academic record

Lawyer from the Universidad de La Sabana, with emphasis in economic and commercial law. She did an intensive International Tax Law course at the Universidad Austral in Buenos Aires – Argentina (2009) and took the Diploma Program in Colombian Tax System at the Pontificia Universidad Javeriana (2006). Has worked as an attorney at governmental entities such as the Office of the Securities Superintendent (the Office of the Financial Superintendent today) and the law firm Galvis & Abogados Asociados.

Relevant projects

She has developed projects of national and international tax planning. Additionally she is part of the permanent consulting and tax compliance team, solving matters which are related to the different Colombian taxes such as income taxes, sales taxes (or VAT), stamp taxes, industry and trade taxes, etc., as well as the withholding taxes that apply in relation thereto.
